

Temple Sinai Brotherhood Breakfast

Sunday, February 25th @ 10:00 a.m.

Guest speaker will be:

***Tony Rice, NASA trained Ambassador with the
NASA Jet Propulsion Laboratory Solar System program***

***His topic is titled “What’s New in Mars or
What’s in the Stars in NASA’s future?”***

Tony will be making a special trip from Raleigh, N.C. We dedicate this program to our congregants past and present with work ties to NASA.

Our usual breakfast consists of scrambled eggs, lox and bagels, juice, fruit, sweets and coffee. Price is \$6.00 for non members. This meeting is open to the public. Please RSVP to Larry Linn at 868-7421 if a nonmember of the Brotherhood.
